

ENITEC Meeting, Ljubljana, June 7th-8th, 2023

Venue: Medical Faculty, Korytkova 2, Ljubljana, large lecture room

PROGRAMME

Wednesday 7th June, 14:00-17:00

13:00-14:00 Arrival and registration / Lunch

WELCOME

14:00-14:10 **ENITEC Chairs (Andrea Romano, Maastricht (NL), Vit Weinberger, Brno (CZ), Hanny Pijnenborg, Nijmegen (NL))**

14:15- 14:25 Local organizers and Representatives of the Faculty of Medicine

KEYNOTE LECTURE

Chairs: Tea Lanišnik Rižner & Andrea Romano

14:30 - 15:00 **Damjana Rozman, Ljubljana (SI)**

Circadian rhythm and cancer

REPORTS ON ONGOING COLLABORATIONS

Chairs: Erica Werner & Andrzej Semczuk

15:00-15:15 **Hanny Pijnenborg, Nijmegen (NL)**

Update on ENDOmetrial Artificial Intelligence assisted Diagnosis (ENDO-AID)nosis

15:15-15:30 **Frederic Amant, Leuven (B)**

ON LINE

Update on EUGENIE

15:30-15:45 **Laura Muinelo, Compostela (ES)**

Combination of liquid biopsy and preclinical models to improve endometrial cancer management

15:45-16:00 **Jure Knez, Monika Sobočan, Maribor (SI)**

Update on translational control in endometrial cancer

16:00- 16:30 Tea & coffee break / Networking

PRESENTATIONS FROM NEW MEMBERS

Chairs: Germana Tognon & Jure Knez

16:30-16:45 **Emanuele Perrone, Rome (IT)**

Comparison between immunohistochemical-based model and genomic profiling in endometrial cancer molecular stratification: a propensity-matched survival analysis

16:45 -17:00 **Andrzej Semczuk, Lublin (PL)**

Uterine sarcoma – our scientific achievements and future collaboration

17:15 - 18:30 Social event: Ljubljana river cruise

19:00 - 22:00 Dinner at Ljubljana castle - Gostilna na gradu

Thursday 8th June, 9:15- 13:40

9:15-9:45 Welcome - Department of Gynecology University Medical Centre Ljubljana - Virtual tour

9:45-10:15 Tree planting for Helga Salvesen

(ENITEC Chairs, Dean of the Faculty of Medicine)

REPORTS ON ONGOING COLLABORATIONS

Chairs: Eliana Bignotti & Spela Smrkolj

10:15-10:30 **Tea Lanišnik Rižner and Marko Kokol, Ljubljana, Maribor (SI)**

Update on BioEndoCar project

10:30-10:45 **Erica Werner, Maastricht (NL)**

Update on Endocrine study

10.45-11:00 **Andrea Romano, Maastricht (NL)**

Update on Promote study

11:00-11:15 **Marika Lombaers, Nijmegen (NL)**

Implementation of ENDORISK

11:15-11:45 Tea & coffee break / Networking

NEW STUDY PROPOSALS

Chairs: Hanny Pinjenborg & Laura Muinelo

11:45-12:00 **Vit Weinberger, Brno (CZ)**

Endometrial cancer molecular classification, together with additional immunohistochemical markers, enables to refine the preoperative risk stratification

12:00-12:15 **Gemma Donaldson, Leicester (UK)**

ON LINE

The effects of curcumin and resveratrol on endometrial cancer patient-derived explants

12:15-12:30 **Marija Gjorgoska, Ljubljana (SI)**

11-Oxyandrogens - diagnostic or prognostic biomarkers of endometrial cancer?

12:30-12:45 **Puk Meijs, Maastricht (NL)**

ON LINE

The prognostic value of p53 and PR expression in grade 2 endometrioid endometrial carcinoma

12:45-13:00 **Luka Roškar, Ljubljana (SI)**

Models including angiogenic factors as potential biomarkers of endometrial cancer

THE FUTURE OF ENITEC

13:00-13:20 **Andrea Romano, Maastricht (NL)**

CLOSING REMARKS AND END OF THE MEETING

13:20-13:30 ENITEC Chairs (**Andrea Romano, Maastricht (NL), Vit Weinberger, Brno (CZ), Hanny Pijnenborg, Nijmegen (NL)**)

13:30-14:30 Lunch/ Networking

Local organizing committee

Faculty of Medicine, University of Ljubljana:

Tea Lanišnik Rižner, Maša Sinreih, Špela Kos

Department of Gynecology, University Medical Centre Ljubljana:

Špela Smrkolj, Boštjan Pirš, Luka Roškar

The annual ENITEC meeting is sponsored by
