

Metabolizem adrenalina

- ### Primeri uporabe aminokislin v biosintezah
1. Sinteza proteinov
 2. Sinteza hema
 3. Sinteza glutationa
 4. Sinteza tiroidnih hormonov
 5. Sinteza nevrottransmitorjev
 6. Sinteza biogenih aminov
 7. Sinteza kreatina in fosfokreatina

- ### Primeri uporabe aminokislin v biosintezah
8. Sinteza karnitina
 9. Sinteza nukleotidov
 10. Sinteza S-adenozilmetionina
 11. Sinteza NO

Adrenoreceptorji

Dve vrsti receptorjev v membrani tarčnih celic:

α- in β-adrenoreceptorji
