

Núria Malats

Grupo de Epidemiología Genética y Molecular Programa de Genética del Cáncer Humano Centro Nacional de Investigaciones Oncológicas (CNIO)
Madrid
Spain

Dr. Núria Malats is currently the head of the Genetic and Molecular Epidemiology Group at the Spanish National Cancer Research Centre (CNIO), Madrid, Spain. She has a broad expertise in these fields of research by focusing mainly on pancreas and bladder cancer. She coordinates several large national and international studies integrating different levels of information, including omics data, in both disease development and progression. She has over 200 publications and is external reviewer of national and international funding agencies and first rank scientific journals. Dr. Malats is the chair of the EUPancreas COST Action "An integrated European platform for pancreas cancer research: from basic science to clinical and public health interventions for a rare disease".
